

## Hypo-Allergenic Canine Food

“At Zignature, we strive to create the best dog food in the world. We do that by using meat first, limited ingredient recipes to provide a Physiologically Tuned™, nutritionally correct diet for your canine companions. Meat first provides the animal protein dogs need to thrive, while our limited ingredient philosophy eliminates allergenic ingredients, such as Chicken, Corn, Wheat Gluten, Soy, and Potatoes. The result is an optimal hypoallergenic, grain free, and low carbohydrate nutrition.”
